**Subject:** RE: RPZ Land Acquisition

Mark,

The FAA is willing to pursue the purchase of RPZ property (where Maverik is proposing the gas station). We have funds set aside in 2016 to reimburse the city for the cost of this property (up to \$1.3M of state apportionment and \$150,000 of non-primary entitlement). We will need to follow all Federal regulations including the Uniform Relocation Act, appraisal, and review appraisal. As you know, we have a continuing resolution in place through March. I do not expect to be able to issue a grant to the city before May or June. Please keep me informed of any updates. This also means that we do not have funds available this year for the master plan since we will need to use the non-primary entitlement on the land purchase.

I do not expect to have any travel budget available until January – sorry! Would it be possible to have any city council members send me questions by email or maybe I could call in to a work session?

Thank you,  
Kristin

Kristin:

Will you be able to provide me with an email regarding the FAA's willingness to fund the purchase of the Maverik gas station property? I need it by Wednesday.

Also, since November 5<sup>th</sup> won't work, would you be available on November 19<sup>th</sup> to meet with the City Council?

Thanks,

Mark
