Mr. Gary Oliverson

Dear Mr. Oliverson,

On October 9, 2013, the Wasatch County Fire Board, adopted the final tax rate resolution, the rate adopted was .000244. This is the certified rate allowed by the Utah State Tax Commission.

On December 19, 2012, the Fire District Budget was adopted by the Fire Board, on December 27, 2012, the first Truth in Taxation hearing was held. After review by the tax commission, the Fire Board was advised that Utah State Code requires the Truth in Taxation hearing to be held before the adoption of the next year's budget.

Because of this, the tax increase issue is void and invalid. Therefore I am informing the sponsors of the petition that the petition is also invalid and unnecessary at this time.

Thank you,

Brent R. Titcomb
