Source: Utah State Board of Education, Educator Licensing Section, Cactus Database.

Table: Utah State Board of Education, Data and Statistics Section.

Definition: Based on educators (a) who were employed at least half time, (b) who were assigned for at least half of their time to classroom teaching (category code = 610,701,710,720,1000) or school administration (category code = 800), and (c) whose reported salary divided by their total FTE ("annualized") was within three standard deviations of the raw mean salary ("trimmed").

Missing data are due to an LEA's few educators being excluded because (a) they are not licensed and therefore not in the database, (b) the LEA did not enter salary data into the database or (c) they did not meet the inclusion criteria.
