If Licensee chooses not to terminate this Agreement, the License Fee shall be reduced or abated in proportion to the actual reduction or abatement of use of the License Area. In the event of any condemnation, Licensee may pursue its own claim against the condemning authority for any damage or award permitted under the laws of the state in which the License Area is located, provided Licensee's claim will not reduce the award, judgment or settlement receivable by Licensor.

24. Title Insurance. Licensee may obtain title insurance on its interest in the License Area. Licensor shall cooperate by executing documentation required by the title insurance company.

25. Further Assurances. Each of the parties agrees to do such further acts and things and to execute and deliver such additional agreements and instruments as the other party may reasonably require to consummate, evidence or confirm this Agreement in the manner contemplated hereby.
