We are collecting your personal data to facilitate the submission of your GRAMA request. We use this data to connect GRAMA requesters with government agencies in compliance with Utah Code [63A-12-114](#) (2021). If you would prefer not to provide this data, then you will be unable to submit a GRAMA request using this website. Some personal data is required in order to submit a GRAMA request, per Utah Code [63G-2-204\(1\)](#) (2023). Your personal data will be shared with the agency you have requested a record from, and with the Open Records Portal website vendor, who committed to not sharing this information in their contract. We will not share your data with any other 3rd-parties unless required by law. The personal data collected by this page is designated primarily as public and secondarily as private; it is part of [Record Series 30228](#). If you have any questions, please contact us at GovOps_privacy@utah.gov.

Additional Information

Additional Information

Considerations

I would like:

- To view or inspect the records only.
- A copy of the records. I am willing to pay up to the amount stated below.
- A copy of the records and to request a fee waiver according to Utah Code.

More info about fee waivers can be found in Utah Code [63G-2-203](#)

Are you requesting an expedited response? (Fewer than 10 business days) :

- No
- Yes

Restricted Record Access

If the record has restricted access, the law allows certain individuals access if one of the following applies::

- I am the subject of the record.
- I provided the information in the record.
- I have power of attorney or notarized release from the subject of the record.
- I am the authorized representative of, guardian for the minor and/or incapacitated adult who is the subject of the record.
- None of these apply

More info about restricted record access can be found in Utah Code [63G-2-201](#)

Submission Date: 7/28/2025

Uploaded Files:

Upload any relevant files. (If additional information has been requested, you may upload documents here.)

GRAMA requests are public information. See GRS-1711: [Records Access Requests and Appeals](#)
